"It is designed to break your heart. The game begins in the spring, when everything else begins again, and it blossoms in the summer, filling the afternoons and evenings, and then as soon as the chill rains come, it stops and leaves you to face the fall alone."

--Bart Giamatti, *The Green Fields of the Mind*

Umpiring is difficult enough without making problems for ourselves.

--Herm Card, 2008

It's not the game you get; it's the game you give.
